TITUSVILLE YMCA
Group Exercise - August 2025

Classes in any intensity category can be modified for individuals of all fitness levels

LOW INTENSITY

Balance & Fall Prevention - Stability starts here as you develop muscles that are vital for balance and to protect against falls. This class will help to reduce injuries, increase flexibility, strengthen muscles, and improve posture.

Gentle Stretch - Focus on increasing flexibility, improving posture, strength and balance, as well as work on breathing techniques for better endurance and circulation. Mats and chairs are available for seated exercises and/or for standing balance poses.

Pilates - A stress relieving, low impact mat workout with a strong focus on core conditioning, while improving muscular strength, flexibility, balance, and posture.

SilverSneakers® Classic - Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.

MEDIUM INTENSITY

Body Sculpting - Strengthen and tone during a full body workout using free weights, resistance bands, body bars, stability balls, medicine balls, and your own body weight.

Cardio Circuit - Get your heart rate pumping with this fun, energizing aerobics mix of step and kickboxing, combined with resistance training.

Cycle Express - A 20–30 minute indoor cycling class designed to boost your cardio fitness and energize your day. Perfect for a quick, effective workout!

Fitness with Weights - Get your heart pumping to improve cardiovascular fitness and also strengthen and tone with a full body workout.

SilverSneakers® Circuit - Standing upper-body strength work alternated with low impact cardio using a chair for standing support.

HIGH INTENSITY

HIIT (High Intensity Interval Training) - Push your limits with this high intensity class with varying workouts focusing on strength and cardiovascular conditioning.
